The Natural Choice

<COMPANY BRIEF>

- Yeo Hiap Seng Malaysia Bhd. is one of the leading food and beverages groups in the Malaysian and Singapore markets.
- The Petaling Jaya-based company produces a range of foods and carbonated and noncarbonated beverages under the brands Yeo's, Fizzi, Goodtaste, SoyRich, and Cintan.
- Core product areas include soy milk, tea, and instant noodles; the company holds the number one spot in its market for the first two, and has targeted the third category for future leadership as well.
- In addition, Yeo's product range includes canned goods, such as curries, coconut, and the like; sugarcane-based drinks and chrysanthemum tea; and other regional favorites.
- The company's logistics and distribution network gives it national reach
