HGBS company background

- Global Accounting Shared Services (“ASSC”) included Master Data function established under Tioxide (Malaysia) Sdn Bhd (“TMAS”) back Oct-2010.

- In conjunction with the relocation of Global IT Shared Services function to Malaysia and office relocation from Wisma Avon to Sunway Pinnacle, it was decided to separate the corporate functions away from TMAS and therefore, Huntsman Global Business Services Sdn Bhd (“HGBS”) was established on 29-Nov-2013.

- Apart from ASSC and Global IT, HGBS also hosts internal audit and internal control functions for global/regional basis.

- On 14-Aug-2014, MDec granted MSC status to HGBS.

- Currently, HGBS has more than 200 employees.

Entrants under 18 years of age must provide parental/guardian approval to enter and further, the parent/guardian of the entrant must read and consent to all T&Cs.

6. Entry is open to teams with three members (Team). Each team can submit a maximum of one entry. Multiple entries are not permitted. Each Team member is referred to individually in these T&Cs as a contributor (Contributor). Each Contributor must individually be eligible to enter this competition. Teams can have Contributors from different tertiary institutions.

7. To enter the competition, during the Promotional Period, one Contributor from each Team must:
   - Consider and follow the instructions of the case study brief provided by the promoter (Case Study Brief); and
   - Submit their Team’s submission (Submission) by following the instructions specified on the Future Leaders’ League registration form at https://docs.google.com/forms/d/1PPByNTUtF7j36sBNPR5FPPu55fV5vjujHnf7yryf_lk/edit

8. Each Team and each Contributor makes the following warranties to Unilever:
   - The Submission (and, if applicable, the Semi Final Entry and/or Grand Final Entry, as those terms are defined in clause 13) is an original work that has not been previously published or displayed in any media or forum anywhere in the world, excluding where the Team has
provided the Submission to their tertiary institution as part of a task associated with the Future Leaders’ League 2016 competition.

- The Submission (and if applicable, the Semi Final Entry and/or Grand Final Entry, as those terms are defined in clause 13) does not infringe the rights of any third party, including, without limitation, intellectual property rights and moral rights. The Team, and each Contributor, agrees to indemnify and release Unilever against and from all costs and claims by third parties arising from a breach of this warranty. Unilever will not breach any third party rights (including intellectual property rights and moral rights) when using any Submission (and if applicable any Semi Final Entry and/or Grand Final Entry, as those terms are defined in clause 13) for the purposes of this competition and for future promotional purposes. The Submission must NOT contain any content that:
  i. Is sexually explicit, unnecessarily violent or derogatory of any ethnic, racial, gender, religious, professional or age group; profane or pornographic;
  ii. Promotes alcohol, illegal drugs, tobacco, firearms/weapons (or the use of any of the foregoing) or a particular political agenda;
  iii. Is obscene or offensive;
  iv. Defames, misrepresents or contains disparaging remarks about other people or companies;
  v. Communicates messages or images inconsistent with the positive images and/or good will to which Unilever wishes to associate;
  vi. violates any law; and/or
  vii. violates the rights, including intellectual property rights, of any other person or company by using their trademarks, music, logos, names, likeness or images without their express written consent.

9. By submitting the Submission (and if applicable the Semi Final Entry and/or Grand Final Entry, as those terms are defined in clause 13) to this competition, the Team and each of its Contributors acknowledge and agree that the Submission will be provided to Unilever, and further grants an irrevocable, exclusive and royalty-free license to Unilever and its associated companies and agencies, in perpetuity, for all intellectual property rights in the Submission, and acknowledges that Unilever and its associated companies and agencies shall have the right to use the Submission and any of the ideas presented in the Submission, for future marketing or related material, without further consent from, or acknowledgment of, the Team and/or the Contributors.

10. Further, Unilever shall have the right to use any Submission, including any intellectual property or ideas contained therein, without further consent from the relevant Team and/or each of its Contributors for any business-related purpose including, without limitation, implementation of any business plan, or the ideas, contained in the Submission at Unilever’s discretion, and the relevant Team and each of its Contributors acknowledge and agree that any rights of attribution and/or acknowledgment, with respect to the Submission, are revoked.
11. Neither Unilever nor any affiliated agency will compensate any Team or Contributor for any use of the Submission in accordance with these T&Cs, except for the provision of any prize to any prize-winning Team and its Contributors.

12. Each Team and its Contributors will have an opportunity to communicate with Unilever for the purposes of gathering information to prepare its Submission and acknowledges that, should they wish to avail themselves of this opportunity (which is not mandatory), this communication will occur through formal channels of engagements set up by the promoter, namely via e-mail and phone calls.

13. The judging process is as follows:
   (a) Unilever will judge each Submission in accordance with the judging criteria (as set out in the Case Study Brief) (Judging Criteria).
   (b) Unilever will select the Teams who submit the best Submission, as judged by the judging panel to take through to the Semi Finals (Semi Finalist Teams), the number of which Unilever will determine in its sole discretion based on the number and quality of Submissions received. Each Semi Finalist Team’s Submission is hereafter referred to as its Semi Final Entry.
   (c) The Semi Finalist Teams will be required to present their Semi Final Entry live to a judging panel on 27th October 2016. This date is subject to change at the discretion of Unilever, but will be confirmed with the Semi Finalist Teams by 20th September 2016. Exact times will be communicated to each Semi-Finalist Team following 20th September 2016. The Semi Finals will be held at Pullman Hotel, Bangsar, Kuala Lumpur. The judging panel will be located at Pullman Hotel, Bangsar, Kuala Lumpur. Semi Finalist Teams must be present in person to present their Semi Final Entry at Pullman Hotel, Bangsar, Kuala Lumpur.
   (d) Following the Semi Finals, at least three (3) Teams with the best Semi Finalists Entries, as judged by the judging panel, will be selected to progress to the Grand Final (Grand Finalist Teams). This number will be determined at Unilever’s sole discretion based on the number of entries received. Each Grand Finalist Team’s Submission is hereafter referred to as its Grand Final Entry.
   (e) The Grand Final will be held on the same day as the Semi Final on 27th October 2016. This date is subject to change at the discretion of Unilever, but will be confirmed with Grand Finalist Teams by 20th September 2016.
   (f) All Grand Finalist Teams will be required to present their Grand Final Entry live to a judging panel at the Grand Final in order to be in the running to win the Grand Final Prize.
   (g) The judging panel at the Grand Final will determine the order of the prize winner/s. The prize winner/s will be announced during the Grand Final.

14. All Semi Finalist Teams and Grand Finalist Teams will be required to participate in UCamp, details of which are as below-
• Duration: 24th October 2016 until 27th October 2016
• Location: Pullman Hotel, Bangsar, Kuala Lumpur
• Activities: workshops, leadership talks, trade visits and conclusion of Future Leaders’ League 2016.

15. Unilever may, in its sole discretion, provide return economy flights to Kuala Lumpur, transport, meals and two nights’ stay in a 3 star accommodation for Semi Finalist Teams and Grand Finalist who reside outside of Kuala Lumpur.

16. In the event that, for any reason whatsoever, any of the Semi Finalist Teams and/or Grand Finalist Teams are unable to participate in UCamp, that Team is deemed to have forfeited and will no longer be part of Future Leaders’ League 2016. No compensation or reimbursement of any kind will be awarded in lieu of the forfeiture and Unilever will be under no obligation to invite a replacement Team.

17. All Teams and each Contributor acknowledge and agree that they may appear in the media via interviews and press conferences organised by Unilever and/or third parties which may be held throughout or at the conclusion of UCamp. To the extent permissible by law, all Teams and each Contributor agree not to hold Unilever responsible for any breach of any applicable personal data laws arising out of such third parties interviews and/or press conferences.

18. Unilever reserves the right to reject any Submission, Semi Final Entry or Grand Final Entry as those terms are defined in clause 13, which, in its sole and absolute discretion, it determines does not meet the Judging Criteria, including but not limited to any further requirements as set out in these T&Cs.

19. All Contributors to a Grand Finalist Team will receive a prize. Prizes will be tiered according to the place of the Grand Finalist team. The total prize pool will be announced to all Grand Finalist Teams no later than 27th October 2016.

20. The prize details set out in clause 19 above are subject to change at the promoter’s sole discretion, and entrants will be notified of any such change in writing. The promoter accepts no responsibility for any variation in the value of the prize. If any prize contemplated in these T&Cs is unable to be supplied, the promoter reserves the right to supply another prize of greater or equal value.

21. This is a game of skill, and chance plays no part in determining the selection of finalists or winners.

22. For the avoidance of doubt, Contributors to a Team cannot change between the Submission, Semi Final and Grand Final stages, and must remain the same as those registered at the time of Submission.
23. If a Submission progresses to a further stage in the competition, Teams and Contributors consent to Unilever contacting them with information regarding their continued involvement with the competition.

24. All entries are deemed to be received at the time of receipt as recorded by the submissions portal on the Unilever Careers Malaysia Facebook page and not at the time of transmission by the entrant. Any costs associated with entering the competition and accessing the website are the responsibility of the entrant.

25. Unilever reserves the right to verify the validity of entries (including proof of tertiary education or undergraduate status of each Contributor) and to disqualify any Team, any Contributor of which Unilever believes either has tampered with the entry process or has submitted an entry that is not in accordance with these T&Cs.

26. In the event that, for any reason whatsoever, each Contributor to a prize-winning Entry or a prize-winning Team does not take the prize, or an element of that prize, at the time stipulated by Unilever, then the prize, or that element of the prize, will be forfeited by the prize winner and cash will not be awarded in lieu of the prize.

27. Before the prizes are awarded, each Contributor from a prize-winning Team may be required by Unilever and/or any of the providers of elements of any prize to sign a form to release Unilever from and indemnify Unilever against, any and all liability arising from the use or participation in the prize.

28. Unilever's decision is final and no correspondence will be entered into. No responsibility is accepted for entries not received by Unilever.

29. Entries will be deemed void if stolen, forged, mutilated or tampered with in any way.

30. All Teams and each Contributor acknowledge that Unilever, its associated business and bodies corporate, and third parties, will continue to trade in the future, and any similarities with any Submission may be co-incidental.

31. Subject to any applicable law which cannot be excluded, Unilever and its related bodies corporate shall not be liable for any loss, damage or injury suffered or sustained (including but not limited to direct or consequential loss or loss of profits or loss arising from negligence) arising directly or indirectly out of or in connection with the competition or any prize.

32. Tax implications may arise from the prize winnings. Each Team and each Contributor should seek independent financial advice.
33. Details from all entries will be collected and used for the purposes of conducting this competition (which may include disclosure to third parties for the purpose of processing and conducting the competition) and for publicity purposes surrounding this competition. Photographs of all Teams and Contributors may also be used for purposes of current and future promotional activities surrounding this competition and other marketing purposes, publicity, and internal communication. By entering this competition, Teams and Contributors consent to the use of their information as described in Unilever’s privacy policy. Teams and Contributors may access and/or change their personal data by following the procedures in Unilever privacy policy, which is available at: http://www.unileverprivacypolicy.com/en_gb/policy.aspx and http://www.unileverprivacypolicy.com/BahasaMalaysia/policy.aspx

• How does an internship at a GE Global Research Center and a scholarship of up to $100,000 sound to you?

• With GE’s Unimpossible Missions: University Edition global challenge, now’s your chance to push the boundaries of human knowledge. To rewrite the rule book. To make the impossible possible, with the help of science.

• You see, every day, GE does things that supposedly can’t be done. By taking the smartest minds and giving them access to the most cutting-edge technology available, we’re solving the world’s toughest problems.

• The basis behind the challenge is GE’s Unimpossible Missions video series, in which GE engineers employ our knowledge of science, technology and innovation to debunk common sayings ( Catching Lightning in a Bottle, Like Talking to a Wall, A Snowball’s Chance in Hell ).

Now it’s your turn to show us what you can do! Here’s how to start innovating:

1) Register at NineSigma ( http://invent.ge/UnimpossibleMissions )
2) Select an idiom based on the guidelines given
3) Provide a solution to debunk that idiom using a GE Technology Toolkit that outlines the tech and resources we have available

• Each of the three selected winners will receive a 10-week paid internship at any GE Global Research Center in 2017, while the grand prize winner will also win a scholarship of up to $100,000 and have their winning experiment filmed as one of the next Unimpossible Missions!

• Participants must be over the age of 18, be attending an accredited university or college and must not have graduated before 31 December 2017. All entries must be submitted before 14 June 2016, 5pm Eastern Daylight Time, and the winners will be announced on 20 July 2016.

• To participate, visit http://invent.ge/UnimpossibleMissions, where you’ll also find full contest details as well as terms and conditions. Good luck!
Win up to $100,000 Scholarship and a 2017 Internship at a GE Global Research Center

**Message from the Managing Director**

Manoj Menon  
Managing Director  
Frost & Sullivan Asia Pacific

“Welcome to Frost & Sullivan’s Management Associate Program! As Growth Partners, Frost & Sullivan aims not only to accelerate the growth of our clients but also the career growth of our employees. This fast-track program will equip and develop young, bright talents with the business foresight and transformative leadership skills across research, consulting and sales & marketing. Through active participation and engagement in real-life business scenarios, management associates will encounter new challenges and develop a foundation for a rewarding career ahead. I wish you all the best and welcome to the Frost & Sullivan family.”
About Frost & Sullivan

Frost & Sullivan is a global leader in growth consulting with a proud history of providing cutting-edge innovative growth solutions and strategies to many of the world's leading Global 1000 companies. The company, headquartered in Mountain View, California, has more than 1,500 consultants globally researching and analyzing new market opportunities for corporate growth.

Frost & Sullivan is the world leader in growth consulting and the integrated areas of technology research, market research, economic research, corporate best practices, training, customer research, competitive intelligence and corporate strategy.
## Our Business

### RESEARCH

Monitoring and analyzing technical, economic, mega trends, competitive, customer, best practices and emerging markets research into one system which supports the entire “growth cycle” enables our clients to have a complete picture of their industry, as well as how all other industries are impacted by these factors.

Our proprietary 360° research provides our clients critical information that aids in development of the visionary skills necessary to develop a growth pipeline that meets or exceeds the company’s growth targets.

### CONSULTING

Growth Consulting services encompass customized research, business strategy, and organizational development initiatives. Growth Consulting provides uniquely powerful and practical solutions to help companies successfully address their growth challenges. These services are tailor-made.

Clients leverage our unique combination of market expertise, global presence, and relationships with key industry players to help them with a specific business decision or broader issues or challenges.

### EVENTS & TRAINING

Our global events and training programs are focused on helping companies transform their organization through best practices and experiential learning. Our totally unique events are engineered to maximize interactivity, collaboration and networking in an environment that sparks innovation.

Our corporate training & development programs are interactive workshops aimed at maximizing change through experiential learning. We find that executives get the most value when they can learn by doing.
Frost & Sullivan Malaysia was established in 2000 where it expanded rapidly and was awarded the MSC-status in 2007. In 2012, with the support of Multimedia Development Corporation and i2M Ventures Sdn Bhd, a wholly-owned subsidiary of Khazanah Nasional Berhad, they set up a Global Innovation Centre (GIC) of Excellence in Medini Iskandar.

Frost & Sullivan has always been at the forefront in driving growth for its clients, with a range of innovative products and services tailor-made to address clients' needs. Frost & Sullivan Malaysia currently has 120 employees in Kuala Lumpur and aims to add another 830 in Iskandar by 2020.

Our key clients in Malaysia include a good mix of multinationals, local conglomerates and government agencies across all major industries. They include MIDA, MDeC, MIMOS, Toyota, Proton, DRB-Hicom, Edaran Otomobil Nasional, Telekom Malaysia, Goldman Sach, Cisco, Oracle.
