What is it?

To ensure our local graduates find great jobs and contribute to the nation’s success, TalentCorp’s Graduate Employability Management Scheme (GEMS) uses a new, tiered approach to help graduates who face challenges in gaining employment.

Under the new approach, TalentCorp will assess graduates’ competency gaps and recommend the right training based on graduates’ individual needs such as BOOT CAMP or on-the-job training with employers.

**EMPLOYABILITY BOOT CAMP**

3D2N residential boot camp provides an intensive, fun and invaluable series of workshops covering CV Tailoring, Grooming Etiquette and Interview Skills with inspirational speakers, and Q&A with industry practitioners.

**TIER 1**

STUDENTS/GRADUATES profiled and matched according to competency

**TIER 2**

The Graduate Employability Management Scheme (GEMS) equips graduates with industry-relevant skills and experience via on-the-job training with employers in key economic sectors.

**BENEFITS FOR EMPLOYERS**

Access to work-ready graduates with relevant skill sets needed in different industries

Access to a diversified talent pool
**BENEFITS FOR STUDENTS**

- Gain skills and experience sought by leading employers
